Global Marketing Studio

The project by Leon Mayer

Already this 2020, a new web Engineering and global Marketing Studio was opened in Dubai. The project will be led by Leon Mayer, a renowned web couturier and Global marketer in global markets. The new web design studio LANDINGPAGE.VIP, or Success Lab as Leon himself calls it, will become one of the largest representatives of the marketing services market in the Middle East and around the World.

German Web Master

Professional, international portfolio

This German web master took up the unusual-sounding profession of Web Couturier, for many about Eleven years ago. For more than a year he has been cooperating with a representative of Large & Medium-sized Businesses in Dubai, UAE.

And it is the positive and pleasant results of this cooperation that have become strong for more serious deals, which will soon become the Success Laboratory —
LANDING PAGE VIP.

How we start:

01

Marketing Strategy & Vision

We create a brand and marketing strategy and vision for your company. We describe your business processes and position the company in the market.

02

Telemarketing for Leads

Our Telemarketing team well-trained in customer service and sales techniques, and we are able to identify qualified leads and turn them into customers.

03

Complex Digital Marketing

Research and Market Analysis. Analyzing Competitors & all Market. Creating New Digital Strategy.

Building a memorable Landing Page with the latest technology. We fill with text content and modern technologies to turn users into regular customers.

We activate all social networks Facebook, Instagram, LinkedIn. Setting up targeting.

Our Portfolio

Now we specialize in the promotion and development of Real Estate Agents in Dubai, as well as large developers. We attract large Investors from Russia.

Tiger Group

Complex Digital Marketing and generating 5,000 leads. Developed and implemented Russian digital marketing campaigns to generate qualified leads

PH Real Estate
